"CORRUPTION"

NEW SCENES TO PRECEDE PRESENT SCENE 1.

A. INT. OPERATING THEATRE.

We are looking directly upward into the even glare from the operating table lamp.

A LAZER surgical cutter is interposed and buzzing and crackling, points directly into camera. Close behind we see the gowned and masked figure of SIR JOHN ROWAN as he bends forward, working with intense concentration.

We become aware of a raptly interested group of fellow surgeons and nursing assistants around the table.

SIR JOHN straightens for a moment and turns towards the THEATRE SISTER, who mops his brow for imperceptible perspiration.

SIR JOHN glances at the anaethetist, who nods reassuringly.

SIR JOHN

~~Five more minutes only~~

He goes back to his intense work.

We notice particularly, the masked figure of STEPHEN HARRIS, standing next to a STUDENT.

He glances from the table to JOHN's face with something of a concerned and worried frown.

TWO SHOT STEPHEN HARRIS AND STUDENT.

STUDENT

Brilliant

STEVE

(not looking up)

It is

STUDENT

Five hours non stop. ~~How does~~
~~he do it?~~

STEVE

~~All it takes is the stamina of an~~
~~athlete, a mind like a computer and~~
~~geniusit's as simple as that...~~

CUT TO.

- B. JOHN once more concentrating on his precision work. He straightens just a little and looks down, eyes narrowed in concentration.

Then he nods at the THEATRE SISTER, and the buzzing of the LAZER ceases.

JOHN straightens a little more, as if throwing off a great weight.

He steps back and nods to another surgeon. The OTHER SURGEON steps in and takes up the final phases of the operation.

JOHN goes forward out of the theatre into the ante-room followed by STEVE.

C. INT CORRIDOR.

STEVE
(to John)

Another success

JOHN

The monster assuaged

~~A NURSING SISTER comes up with a glass of milky fluid, which JOHN takes gratefully. STEVE looks slightly perturbed.~~

STEVE

Monster ?

JOHN

Success is a monster. You'll find out. The greater the success the more monstrous the fear of failure...

HE STARTS TO DRINK.

STEVE

Whats that you're drinking?

JOHN

A mild restorative

STEVE

The best restorative for you is a good nights sleep ...

JOHN

I'll be home this evening ... If there are any complications call me there.

He exits. CAMERA rests on STEVE who watches JOHN go. Then he turns and thoughtfully picks up the glass from which JOHN drank. He sniffs at it, looks puzzled, then thoughtful.

CUT TO.

D. INT. JOHN'S STUDY.

JOHN sits dozing in a chair, a reading lamp above his head, almost reminiscent of the operating table lamp.

A book which was held loosely in his hand breaks free from his relaxed hold and falls to the floor, almost instantaneously the telephone beside JOHN rings.

JOHN wakes with a start. He blinks to clear his vision and then picks up the phone.

JOHN

Rowan, here.....

E. INT. LYNN'S FLAT

Extreme close shot revealing very little of flat.

LYNN

Darling, whatever are you doing there?

JOHN
(coming more awake)

Hello Lynn ...doing ..?

LYNN

Don't tell me you'd forgotten

JOHN

Forgotten what ?

LYNN

The party darling! Its MIKE ORME'S party

JOHN

Oh! The Photographer fellowI had forgotten I ----

He seems to be begging off.

LYNN

I insist that you come. You promised you would. It'll be good for you - lots of pretty girls - music - dancing ...

CUT TO ORIGINAL AMENDED SCENE 1.

- 1 -

1. NIGHT INT. PHOTOGRAPHER'S STUDIO.

Close up of a girl dancing, made up in one of the really outrageous new make-ups. Dancing to loud, throbbing beat music.

Another angle as the camera turns away from her, we see a party in progress with a group of extremely able and competent dancers moving to the music.

Further movement of the camera reveals that the party is taking place in a photographic studio.

The studio is owned by MIKE ORME a highly successful 'with-it' fashion photographer. He is giving the party.

The camera picks him out at the peak of a joke that he is telling to some friends and as he moves out of shot our attention is taken by KATE a beautiful and lively, slightly tipsy blonde. She is getting hysterical with laughter over what she sees.

What she can see is CLAIRE a voluptuous redhead in an extreme outfit coming on with a heavily studded dog collar and leash.

CLAIRE approaches a LIMP WRISTED YOUNG MAN engrossed in an amazing conversation with a group of people. The YOUNG MAN wears a black silk shirt over tight white trousers.

CLAIRE walks up to him and, reaching out, rips the silk shirt clear off his back. KATE laughs, others laugh, MIKE laughs and the dancing goes on in the background.

Attention is now back to the dancing GIRL with the extreme make-up. Her partner starts swinging her about until finally the group moves out on to the balcony of the mews.

2. EXT. PHOTOGRAPHIC STUDIO - HOLLAND MEWS.

The balcony overhanging the entrance is crowded with people and the dancing is continuing.

Below the balcony party crowds have overflowed through the open door on to the street, couples stand with drinks, talk and laugh and make love.

The camera turns back to reveal a car and then a couple engrossed in kissing each other.

SIR JOHN ROWAN is behind the wheel with LYNN NOLAN.

LYNN breaks off the kiss, draws away slightly without breaking contact. JOHN nibbles her ear, smiles delightedly.

LYNN
My face!

LYNN pulls back very slightly.

LYNN
My face. You're soiling my face.

JOHN (Kissing her cheek.)
That's impossible.

LYNN

My public face. The made up one.

JOHN

I pre'ere the private one. . all scrubbed
and shiny.

SHE LAUGHS AS HE KISSES HER CHEEK AGAIN.

LYNN

We ought to go in. Mike's expecting us.
SHE TURNS AWAY. JOHN PULLS HER BACK.

JOHN

I don't think he'll miss us.
HE KISSES HER ON THE MOUTH AGAIN.

LYNN

John, Please. Just for a while... a brief
personal appearance by courtesy of Sir John...
(SHE KISSES HIM AGAIN)

...Rowan.

THEY TURN AWAY AS THOUGH TO GET OUT OF THE CAR.

LYNN and JOHN push their way in. They see CLAIRE putting the collar around the neck of the LIMP WRISTED YOUNG MAN and leading him around like a dog.

JOHN reacts to this and to the general scene of dissolute party making.

The camera continues to look at various aspects of the party through JOHN'S eyes.

Finally JOHN and LYNN have moved into position with the large blow-up of LYNN on the wall. (This is a 4' x 8' blow-up.)

As he relates to it MIKE, who is the host, followed closely by KATE carrying two drinks, comes over and grabs LYNN and they go into an effusive kiss, which might be professional exuberance, or might not. JOHN standing a pace behind LYNN is uncertain, but smiles indulgently.

MIKE finally straightens from LYNN - the whole movement has taken seconds - and LYNN collecting herself realises that JOHN has been standing by awkwardly.

LYNN

Mike, meet John Rowan. John, this is Mike... the man whose camera made me famous...

LYNN relates to the large blow-up of herself towards the end of her speech.

The two men look at each other thoughtfully and shake hands.

LYNN (To Mike)

John's a surgeon, darling...

MIKE

Nice...always reassuring to have a Doctor in the house...

(turning to Kate)

Give the man a drink, Kate.

KATE slides up to JOHN, as MIKE with easy assurance guides LYNN away.

KATE (To John)

Did I hear Mike say you
Oh, you're a Doctor... How's your kiss of life?

JOHN merely looks at KATE blankly, not knowing quite what to do or say.

CUT TO:

Monday
LYNN laughing with a group of people - MIKE's arm is resting lightly round her shoulder. MIKE takes her gently to one side.

MIKE

What's with the Sir John Rowan, famous surgeon bit...

LYNN is surprised by the sudden seriousness of his tone.

LYNN

I'm going to marry him...

MIKE is surprised and dissatisfied with this news.

MIKE (More bitterly than he intends)
For the title?

LYNN (Evenly)
For the man...

MIKE
And your career?

LYNN
Careers fade - marriage is forever...
(WISTFULLY)
So they tell me...

MIKE
They tell you false, dear lady...
(SHRUGS)
It's your life...
(LOOKS ACROSS AT JOHN)
Your partner looks a little - er -
(NEW THOUGHT)
You think this is his kind of party?

LYNN
Change of pace is good for him...

MIKE looks at her, smiles, nabs the end of her nose familiarly and lovingly.

CUT TO:

Mod, 2 Shot

JOHN looking round for LYNN, who is submerged in the crowd. *crowd*
KATE is talking expansively to JOHN, glass in hand, and a *cut*
cherry on a stick which she is staring at slightly cross eyed.
She is half way through some searing anecdote about her
attempts to get her career started.

KATE
So then he says: 'You've sold you're
soul for a mess of pottage'.
(THINKS? LOOKS AT JOHN)
Whats pottage? *Single*

JOHN brought back to her suddenly having not been listening.

JOHN (Startled)
What?

KATE
Pottage....

JOHN looks at her curiously wondering what the hell she's
talking about.

JOHN hears LYNN'S laughter. He looks up and sees her with MIKE,
laughing at...

CLAIRE who has lead the YOUNG MAN to some projection or heavy pole,
and is tethering the young man to it, he stands looking submissively
bored.

CLAIRE is frowning with intense concentration.

- 3 -
Having tethered the YOUNG MAN, she rummages for a box of tubes and a tiny roller brush.

THE PARTYGOERS have gathered round, and anticipate something outrageous from CLAIRE who is obviously well known to them all.

JOHN has meanwhile made his way across to LYNN and MIKE.
KATE has tagged JOHN all the way.

LYNN (To JOHN)

Hello, darling. Enjoying the party...?

Before JOHN can answer LYNN shoots out a restraining arm and points laughing.
JOHN looks round.

WE CUT TO SEE:

CLAIRE starting to squeeze tubes of body make-up over the still bored disinterested young man, and rolling the most outrageous colours over him.

THE ONLOOKERS cheer and start shouting suggestions.

LYNN turns to MIKE, they are all laughing, except for JOHN who is smiling politely, and KATE who is frowning a pout.

LYNN

That's wild Mike, you have to take some pictures...

MIKE

For you Duchess...anything...

HE TURNS AWAY TO FETCH A CAMERA.

LYNN laughs again at CLAIRE deadpan colouring of the equally deadpan boy. Others of the partygoers are closing in and making moves towards using some of the colours themselves.

LYNN (To JOHN)

Is 'nt that the wildest...
(SHE BREAKS OFF AGAIN)

MIKE meanwhile has fetched a festoon of cameras and switched on some studio lighting, including a big dish aflood.

The crowd around THE BOY has increased and CLAIRE's activity is now being copied by partygoers.

MIKE starts taking shots. KATE is dancing around him.

KATE

Me! Me! Photograph me...!

MIKE is moving around her. KATE is moving with him.

Reaction to JOHN and KATE and OTHERS.

The paint scene has degenerated into a slapstick splashing of colours, everybody is having a ball with it.

KATE (Still punching)

Mike! Make me famous. You promised.

KATE

SHE turns and grabs a tube or two of the colouring.
MIKE looks across at LYNN standing detachedly to one side.
HE looks at HER as SHE is laughing unaware of HIM.

CUT TO JOHN AND LYNN:

JOHN (Gently)

Darling, I think politeness has been served...
(LYNN looks at him sharply)
Shall we slip away...?

LYNN (warmly surprised)

The party's just beginning...!

JOHN feels rebuffed. LYNN lays her hand to his cheek to take the sting out of the rebuff.
JOHN smiles at her.

CUT TO:

KATE STARING INTO CAMERA AND COMING BACK TO MIKE. SHE HAS
DAUBED HER FACE.

KATE

Ready!

MIKE is still looking at LYNN. He starts to move away ignoring her, or not hearing her.

KATE (As he goes)

Hey! *ne*

MIKE COMES TO JOHN AND LYNN.

MIKE (To LYNN)

You're the only one I ever wanted to photograph...

LYNN smiles at the compliment.

KATE thrusts her paint daubed face between them.

KATE

~~I've got paint on and everything!~~

MIKE (To LYNN)

For auld lang syne? *one for the Red*

LYNN (Shakes her head)

Have your fun with little Kate...

KATE nods her head vigorously.

MIKE (Insisting)

You!

LYNN smiles with every intention of refusing, but JOHN makes an error. He takes her arm positively but gently, and starts to move her away.

JOHN

Lets go now...

LYNN frowns at him.

LYNN

I want to stay...

JOHN

Please...

LYNN looks at MIKE who is still standing there waiting. The partygoers start calling for LYNN.

LYNN (Gently disengaging JOHN's arm)

Don't spoil the party, darling...

JOHN flinches. LYNN turns to MIKE.

LYNN

Alright, Mike... I'm ready...

LYNN turns away and makes her way to the lit area, where the crowd having pretty well exhausted the paint daubing possibilities and permutations, have fallen away leaving a clear area, and laughing at each other, turn to cheer LYNN. They shout 'LET'S GO LYNN' 'SHOW US THE FIRST TEAM WORKING, BABY'...

LYNN takes up a practised, polished pose.

KATE comes intervening between MIKE AND LYNN.

KATE (To LYNN)

Hey, I'm first!

GIRL PARTYGOER

Come out Kate. This is for grown-ups...

KATE (Turning to MIKE)

Me! Me! Me!

THE GIRL PARTYGOER comes up to KATE who is striking the wildest poses and empties a pot of water paint over her head. KATE screams, clutches her face and runs off, to the laughs and jeers of the crowd.

MIKE relines on LYNN.

JOHN is frowning a reaction to one side.

MIKE starts shooting off film at a tremendous rate. Talking to her all the time in a series of monosyllables to which LYNN reacts with well practised ease.

THE PARTYGOERS shout out suggestions and 'That's it' 'Go Baby' etc.,

LYNN is giving a virtuoso performance which illustrates the incredible rapport between herself and MIKE.

MIKE

Left ... To me... Good!
Hold... Go!
That way... Up... Straighter... great
Go... Imperious...Got it!
Lean... Right...
Good... Great...Got it!

JOHN is watching this with, what is first a fascination for seeing a side of LYNN he is unused to.

His expression hardens when in response to mood atmosphere and encouraging calls from the onlookers, LYNN's poses become more provocative.

LYNN turns and starts to unzip her dress.

CONTINUE ON ORIGINAL PAGE 7.

5. Contd.

MIKE is shooting off film at a tremendous rate, snatching up one ROLLEI after another...

LYNN smiles to herself - she is in fact doing a very slow burn strip tease, with the guests encouraging her and the camera recording it all. MIKE is now absorbed in sheer professional recording skill.

But JOHN becomes like a man possessed. He charges forward and closes on MIKE who is concentrating on a close shot of LYNN, who is stretched on the floor with her dress clutched to her breasts, and obviously on the point of disposing of it all together.

JOHN seizes MIKE and they grapple together over the prostrate body of the surprised LYNN.

The two men sway against one another, and they cannon into one of the big tripod standing dish lamps.

The lamp sways. (2 SPEEDS FRAMECUT.)

LYNN looks up as she realises that the white hot lamp is coming down at her.

LYNN screams terrifyingly and the scream is even more terrifyingly cut off as the lamp crashes down on her face and explodes.

Everything comes to a stop in the horrified silence that succeeds the last despairing scream.

MIKE rushes forward, shrugging off JOHN. With his hands being burned on hot metal he lifts the lamp from LYNN's face. It is burned down one side to a horrible raw mush.

We move rapidly from face to face reacting in horrified shock to what they are looking at.

A GIRL begins to sob.

JOHN stands staring riveted.

MIKE rises, his burned hands forgotten.

KATE screams horribly in CLOSE SHOT.

CUT TO:

6. NIGHT. EXT

KATE's scream modulates into the scream of an ambulance rushing through the night close to CAMERA.

7. NIGHT. INT. HOSPITAL WAITING ROOM

JOHN looks up as a gowned SURGEON comes into the waiting room. The gowned surgeon, STEVE, comes to JOHN.

JOHN
How is she, Steve?

STEVE
We've saved her sight. ~~Steve~~

JOHN
and Her face.....?

STEVE shakes his head.

STEVE
Plastic surgery will help, of course...

JOHN
Oh, God!
(he turns angrily
to STEVE)
You should have let me assist at the operation. I could...

STEVE
John, ~~be reasonable!~~ ~~Look at~~

~~anything to help...~~ It's my fault... I did this to her...

STEVE

~~calm down...~~ *Now it wait*

At that moment a girl, VAL NOLAN, LYNN's younger sister, comes into the waiting room. She sees the distraught JOHN.

VAL
John, they called me. What's happened to Lynn?

JOHN shakes his head and turns away. VAL looks to STEVE.

STEVE
Are you a relative?

VAL
Lynn's my sister. What happened?

STEVE

~~Her face?~~.....

STEVE

~~It's bad, I'm afraid...~~

VAL

Can I see her?

STEVE

No. She's still unconscious...

VAL

But she'll be all right... I mean...not scared?

STEVE shrugs; he wants to reassure her, but he shakes his head.

STEVE

We're doing all we can...

VAL's face reflects the horror of that statement.

STEVE

Excuse me... I've got to get back...

STEVE looks at JOHN, goes as if to say something, then turns silently and leaves the waiting room. VAL looks at the distraught JOHN.

VAL

~~John~~; how did it happen?

JOHN turns slowly and looks at VAL. He studies her face so intently that she reaches up almost unconsciously to smooth her own skin, as if aware of how unharmed it is.

JOHN

(with sudden intensity)

It was my fault, Val! But I swear I'll make it right. I swear it!

VAL looks at JOHN, a little afraid of him in this mood.

CUT TO:

8. NIGHT. INT. STUDY OF JOHN'S HOUSE

JOHN sits poring over stacked books and manuscripts. VAL comes in with coffee and food on a tray. JOHN doesn't look up. VAL comes up to the desk where JOHN works and looks at him anxiously.

VAL

John...

7a. NIGHT INT. BEDROOM.

We see VAL sitting, half dozing in a chair, obviously on night watch seeing over LYNN, who lays, her face half swathed in bandages but asleep, in the bed.

Suddenly LYNN gives a convulsive jerk and wakes, screaming.

VAL startled awake rushes to her screaming sister, who is flaying her arms as if to ward off the fall of the lamps once more. VAL catches the arms of the still half asleep LYNN.

VAL

Lynn! Lynn...its alright

(LYNN'S struggles die down a little)

(MORE SOOTHINGLY)

Its alright Lynn

LYNN relaxes against the pillow, her eyes, one through bandages, focus on VAL. LYNN grips her arm.

LYNN

That nightmare

VAL

I knowits alright ...you're awake now

LYNN turns her head to one side away from VAL. One hand touches the bandages.

LYNN

(quietly)

My nightmare doesn't end when I wake ...

VAL looks down at her sister. All her love and her pity are for her. She picks up a phial of sleeping tablets.

VAL

Would you like another tablet ----

LYNN

(shakes her head)

Tablets - pills

(SHE TURNS AGAIN AND GRIPS HER SISTERS ARM TIGHTLY).

~~What am I going to do, Val~~

Why Does he want pills now

VAL -

John is trying everything he knows, ~~LYNN~~. He hasn't stopped a moment since it happened He loves you -----I'm sure that - given time -----

LYNN

~~Stop it, Val, you know the truth.~~
 Don't lie to me. ~~There's no time.~~ *you know that!*
~~No future - its over~~

VAL

It's not ~~all~~ over - John says

LYNN

Don't! I'm not a child, ~~stop soothing~~
~~me.~~

(LYNN LOOKS DOWN AT THE BOTTLE OF TABLETS
 IN VAL'S HAND).

VAL instinctively, as if reading LYNN's thoughts of
 self destruction, puts the tablets back on the table
 well out of reach.

LYNN

~~I know I'll never be beautiful again.~~
~~I've realised it. I won't accept it.~~

VAL

That's silly talk.
 (TURNS AWAY. POURS WATER INTO A GLASS)
 You'd better take another tablet, and
 sleep.....

VAL turns back to LYNN offering the single tablet and
 the glass of water.

LYNN

~~Give me the bottle, Val ...leave ~~the~~ the bottle~~
 here

VAL

(offering the single tablet again)

~~Here~~ *VA*

LYNN looks at her challengingly a moment, but ~~LYNN~~
 doesn't back down even a little.

Finally, LYNN reaches out and takes the tablet, swallowing
 it with the water.

VAL

(attempting a lighter tone)

Must,
 You ~~always~~ did give up too easily.
 They haven't even started graftings
 yet, ~~you know~~ You'll see

LYNN

(evenly)

Have you any idea how long a process
 that is? How painful it is?

VAL can say nothing to that. It has been told her too
 many times.

Try and

VAL nods.

CUT TO:

8. NIGHT INT. STUDY. (New Scene)

JOHN's study tables are covered with reference books, charts diagrams. He is making copious notes and going from book to another deeply immersed as VAL comes hesitantly in the study door.

JOHN seems unaware of her. She closes to him.

~~VAL~~
~~.....~~

JOHN turns.

~~JOHN~~
~~.....~~ how is she?

VAL *But - Vans*
Sleeping again. I'm worried about her,
~~she~~ ----- ^

JOHN is totally immersed in his own thoughts, after hearing that LYNN is sleeping he has turned back to his work, and apparently doesn't hear the last part of VAL's speech.

JOHN
~~Good ... good ... Val I really think ...~~

VAL
~~Did you hear me, John, I said ...~~

8

JOHN
(impatiently) *So am I & this is what I'm working on.*
~~Of course I heard you. Lynn's sleeping~~
~~I you said so. Now, Val. I really believe~~
~~I have a line of thought here that looks~~
~~very promising.~~

VAL is looking at JOHN slightly off balance by his apparent lack of coherence.

Val
You're becoming
obsessed shut away in
there with those old
books. You have got
to face facts. You must
get back to your own
work.

JOHN
The Egyptians, you see. Do you realise that modern science still doesn't know how the ancient Egyptians preserved their dead?

VAL
I must talk to you, John

CONTD.

JOHN

This is my work now. If my theory is correct it's part of the answer. Living tissue can be restored without the pain of continual graftings. The plastic surgeons are only just beginning to re-discover the ground covered by the Egyptians thousands of years ago, and with to-day's knowledge and modern techniques there is hope of completely restoring her.

VAL.

You can restore her face, but what about her mind? She just asked me to leave the sleeping tablets with her. While you're worrying about her tissues and Egyptians, she's losing her mind. Have you thought about that?

JOHN

Don't you think I know what she's going through? Why do you think I'm doing all this? Leave me alone.

VAL

SorryForgive me ...

JOHN

There is hope - real hope

JOHN nods without turning. VAL pauses a tiny moment longer then turns once more for the door.

CONTINUE ON FIRST AMENDED PAGE 12.

N.B. JOHN's first speech PAGE 12 omit the words "VAL".

JOHN

~~Listen one moment ... now I believe that modern plastic surgery is only beginning to cover the ground the Egyptians discovered thousands of years ago. Its tissue you see. I'm beginning to believe that tissue - living tissue can be restored without graftings I -----~~

JOHN suddenly becomes aware of a certain amount of distress in VAL..

VAL

John please ! I don't understand these things.

JOHN

(interjecting in surprise)

Val - I

VAL

What I do understand is that my sister has lost hope. She's laying upstairs and -----

JOHN

~~But that's the point. If my theory works~~ *is correct*

JOHN

(RISING ANGRILY)

Don't you think I know what's she's going through. ~~Don't you think her pain is my pain. Her hope my hope. ... her despair What do you think I'm doing all this for~~ (TURNS AWAY)
Leave me alone!

VAL suddenly realises the strain JOHN is under. She regrets her tone to him and starts regretfully to leave. She hesitates and turns.

VAL

~~John, I'm sorry. I was being stupid.~~

JOHN without turning, nods.

VAL

Sorry Forgive me?

Again JOHN nods without turning. VAL pauses a tiny moment longer then turns once more for the door.

JOHN

~~Val turns~~

(VAL TURNS)

There is hope, ~~Val~~. Real hope.

VAL smiles and nods. The threatening gulf between them has closed again.

VAL turns and goes out.

JOHN turns, his hand resting on the books diagrams etc. before him on the table. He looks down at them for a moment. Then with new resolution, he goes back to them.

CUT TO

Delete Scene 9 in entirety.

Cut to:

10. DAY INT. STUDY.

We start on the drapes, still drawn, but with daylight coming from behind them.

The camera moves to gradually revealing a transformed study

The camera passes close to a rank of cages containing perkily inquisitive HAMSTERS, and as the frame widens we see that much equipment has been brought into the study, transforming it more into the semblance of a laboratory.

JOHN is found, wearing a surgical gown, rubber gloves and a mask bent low over a slab on which is pinned an anaethetised HAMSTER.

JOHN is working delicately with a knife, or possibly this might be our first sight of the Lazer beam cutter.

There is a tapping at the door. JOHN straightens irritable and calls:

JOHN

Yes?

VAL

Its VAL

JOHN hesitates for a moment, then pulling the mask from his face, crosses to the study door and unlocks it.

VAL stands there with a tray of food.

VAL

I've brought you some food.

JOHN starts to make an impatient gesture.

VAL

You must eat something.

(SHE LOOKS AROUND SURPRISED)

You've been in here for days. You ---

JOHN
(bowing to the inevitable)
Alright, alright ...Put it down
somewhere.

VAL does so, not liking the proximity of the HAMSTERS,
even though caged.

JOHN
Is Lynn awake yet?

VAL
(turning)
Its nearly noon

JOHN crosses to a particular HAMSTER cage.

JOHN
Is it? I hadn't noticed.
(TURNS TOWARDS VAL WITH CAGE)
I've something to show her, Val.
Fina'ly. Something really positive ..

JOHN, Carrying the cage, starts towards the door.

VAL
(calls)
John ... (HE TURNS)
Don't wear that gown ..she's so
easily upset

JOHN looks down at himself.

JOHN
No, of course not.

He sets down the cage, and quickly slips out of the
gown, ripping off the rubber gloves first.

He looks up at VAL just before going out. His eyes
are alight with excitement.

JOHN
(indicating cage)
A real step forward

JOHN turns and goes out.

VAL comes forward and picks up the gown, where JOHN
has discarded it.

She looks back round the study/laboratory rather
sadly.

CUT TO

12. DAY INT. BEDROOM. (New Scene)

LYNN looks up from the bed as JOHN comes in carrying
the cage.

LYNN's eyes are on the cage as JOHN comes up.

LYNN

Whats that?

JOHN

An experiment of mine

LYNN looks up sharply at JOHN.

JOHN

Look at him, Lynn I reproduced
your injuries on him

LYNN looks up sharply at JOHN, then at the perfectly
normal looking HAMSTER, shuffling in close shot.

LYNN

You did what?

JOHN

I reproduced -----

LYNN

(breaks in voice rising horrified)
Your burned him!

JOHN

(taken aback)

Yes but -----!

LYNN

(turning away)

Go away.

JOHN stands shocked with the realisation that his
professional detachment is not shared by LYNN.

JOHN

Lynn

LYNN

Get out of here. To make that poor
creature suffer as I did - to do
something like that, deliberately!

JOHN

But look at him! (LYNN DOESN'T) Lynn,
He's now perfectly normal

LYNN stares as the implications of what he says penetrate
to her. Her eyes light a little. She turns and looks
at JOHN.

LYNN

Normal?

JOHN

Look!

LYNN looks again at the HAMSTER.

LYNN looks at JOHN hopefully. She reaches out a
hand to him.

JOHN goes to her.

JOHN
I swear I can make it right, Lynn
I swear it.

LYNN is almost sobbing with happiness.

JOHN leans across her and kisses first the bandaged
cheek, then the other unaffected one.

JOHN looks up at her, trembling with emotion, but then slowly what she has said penetrates and he looks at her. She reaches out, takes his hand, and squeezes it, perhaps in love - but then she increases the pressure and it could be torture.

CUT TO:

13. DAY. INT. CELLAR CORRIDOR OF HOSPITAL

We see JOHN coming down the subterranean white tiled corridor. He hesitates as an ATTENDANT rounds a bend pushing a trolley which is wheeled past - there is a body on it covered with a white sheet.

The trolley is wheeled through wide swing doors.

JOHN looks up at the sign above the doors: MORTUARY. JOHN looks round once more to make sure he isn't seen and then goes through the door himself.

14. DAY. INT. MORTUARY

The ATTENDANT is assisting the TROLLEY ATTENDANT to place the covered body on a slab. Behind them are several refrigerated doors, obviously where the bodies are kept.

The MORTUARY ATTENDANT looks up as JOHN comes into the mortuary.

AFTERNOON. Sir John
ATTENDANT

~~Hello, Mr. Rowen.~~ You haven't

JOHN

I've been away. I believe you

put on a gown.

ATTENDANT
Very well, sir. ANYTHING ELSE SIR.

JOHN selects a post mortem knife and we see him lean in and whip
off the sheet but we do not see the body.

JOHN poises the knife over the body, and then turns, holding the
knife in front of him and looking round it at the man.

JOHN
Unless, of course, you wish to
remain and assist?

The ATTENDANT swallows and looks a little green. He glances
at the other ATTENDANT who wheeled in the trolley. The two
men exchange a look and then depart fairly briskly.

JOHN approaches the body, and bends down to look at it anxiously.
We are FULL on his eyes as they study the corpse.

STEVE ignores the ATTENDANT and hurries through the mortuary door.

16. DAY. INT. MORTUARY

JOHN is just dropping some organ or other into a freezing jar as STEVE comes hurrying in. STEVE comes up to the table without a word and stares down at the body.

STEVE looks in horror at JOHN. JOHN is capping the jar.

STEVE

(turns to the
hovering ATTENDANT)

All right... you can go...

The ATTENDANT backs out of the door.

STEVE

Do you realise what you're doing?
You've broken every known rule of

jeopardised my post mortem...

JOHN

STEVE

*Stares Down*CUT TO:17. NIGHT. INT. STUDY

The study looks more like an operating theatre.

JOHN ~~wheels~~ LYNN, still bandaged and unconscious, on a hospital trolley with VAL in anxious attendance.

The equipment in the study now includes a laser machine. VAL helps JOHN adjust the controls of the trolley, which is electronically controlled and turns itself into an operating table at the touch of various buttons at the head of the trolley.

JOHN adjusts the lights overhead. VAL watches him anxiously.

JOHN

~~You must be my nurse, Val...~~

VAL

John, are you sure?

JOHN looks at her in sudden annoyance.

JOHN

VAL hesitates and then turns to a dish of instruments - she hands the scissors to JOHN. He starts to cut away the bandages.

VAL shakes her head, grimly determined.

JOHN

He takes the laser knife to LYNN's face. ~~THAT~~

We see a fine point of intense light shoot out of the laser. JOHN starts to move the laser beam slowly across the flesh, leaving the dark mark of a cut behind it.

- d. JOHN working intently and with incredible precision. VAL, slightly sickened, watching her sister - looking up suddenly to mop JOHN's forehead.

- Gloves on Swabs area*
e. JOHN working, filling a hypodermic, carefully plunging it into the specimen gland and drawing off a liquid. He turns, adjusting the hypodermic to exclude air. His eyes meet VAL's for a moment.

JOHN turns back to LYNN - he plunges the needle into her face which is half covered with towelling and swabs.

- f. JOHN working - VAL leaning over again to mop his forehead.
g. VAL watching intently, trying to see whether things are going well or not.
h. Finally a pad of cotton is taken from in front of camera and laid over LYNN's still unconscious face.

JOHN glances at VAL with a look of triumph.

JOHN

18. NIGHT. INT. BEDROOM

JOHN

VAL looks anxiously down at her sister.

19. NIGHT. INT. DINING ROOM

VAL is making the final adjustments to a candle-lit table laid for four people.

The front door bell rings. VAL hurries out to answer it. She opens the door to STEVE HARRIS.

VAL

Dr. Harris! How nice of you to come...

STEVE

John was very mysterious on the phone... How is he?

(he hesitates)

Is he... ?

VAL

Never better...

STEVE

That's good news... And your sister... ~~is she adjusting to life?~~

VAL

~~You'll see for yourself...~~

They have come through again into the dining room. JOHN comes in.

JOHN

Steve!

STEVE turns quickly. The two men are glad to see one another, but JOHN is a little uncertain of his reception, and STEVE is curious.

JOHN

I'm so glad you could come...
For one thing, it means I'm
forgiven...

STEVE makes a gesture of dismissal.

JOHN turns and calls.

STEVE turns as LYNN comes into the room. She is dressed
beautifully and her face is fully restored.

STEVE gasps with amazement. LYNN comes up to him, smiling
confidently.

STEVE

But that's... ~~INCREDIBLE~~ *incredible*

(to LYNN)

May I...?

LYNN nods happily. STEVE takes a closer look at LYNN's face.
There is no trace of scarring or knife marks.

STEVE

~~But it's incredible!~~

LYNN

Not incredible, Steven. Brilliant!

She crosses and kisses JOHN delightedly.

STEVE

It could be the flesh of a young
child...

VAL smiles happily at them both.

VAL

(to STEVE)

Isn't it marvellous?

STEVE shakes his head in wondering admiration.

STEVE

John, you've got to publish...

They laugh and move towards table.

the gory details.~~

JOHN stands as VAL leaves the table - she gives him a special warm smile as she goes.

The two women go out. STEVE stands and looks thoughtfully across at JOHN's turned back. He is uncertain about something.

STEVE comes up to JOHN.

*Still
I can't get over it*

STEVE

John! It's astonishing!

JOHN says nothing. STEVE waits a moment and seems to expect some reply.

STEVE

You used the pituitary and thalamus ~~you took~~ from that dead girl, ~~didn't you?~~

JOHN nods.

STEVE

You took a ~~chance~~, John.

JOHN turns to STEVE slowly and looks at him hard and long.

STEVE

We don't know enough about the endocrine system, ~~John~~. You can't be certain of the consequences..

JOHN interrupts, ~~barking out the word~~ scornfully.

JOHN

It worked. ~~She's beautiful again...~~

STEVE

For how long? What are the side effects? *Do you know*

JOHN is aware of all these misgivings in himself and coming from STEVE they make him that much more angry.

JOHN

~~You saw the results...~~ I have Lynn back - as she was. That's the only thing that interests me. ~~NOW ALL SHE NEEDS IS REST.~~

VAL moves towards him a little anxiously.

VAL goes to embrace and kiss her sister, but LYNN avoids her
embrace very curtly.

LYNN

VAL looks startled at LYNN's back as LYNN goes through into the

LYNN turns suddenly from the fireplace and snatches the veil from her face.

VAL gasps. We see LYNN's face. The flesh has been pulled to one side and she looks grotesque.

LYNN HE Barr

LYNN turns and rushes out of the room, going upstairs. VAL turns to JOHN, as if to seek some explanation. JOHN ignores her and hurries out after LYNN.

23. DAY. INT. BEDROOM

LYNN has pulled the drapes against the daylight outside.

There is the sound of smashing glass.. We see LYNN's distorted face in a mirror before it dissolves even more grotesquely as she smashes the mirror into which she and the CAMERA are looking.

She moves on to a hand mirror on the dressing table and smashes that and the mirror over the dressing table at the same time.

A cheval glass mirror mocks her from the other side of the room. She picks up a pot of powder and hurls it at the cheval glass - causing the powder to gout like the dust from an explosion at the same time.

JOHN comes in the door.

JOHN watches, uncertain what to do. LYNN wheels and sees him, looking at him for a moment. She reaches down and picks up a sliver of silvered mirror glass which is shaped like a dagger. She clutches the glass dagger in her hand.

LYNN

JOHN starts, and then slowly crosses to her, obviously intending to comfort her.

MIKE

Hey!! (COMES TO) Lynn!

(HE REACHES OUT TO EMBRACE HER,
SEES THE CHEEK)

Look at that! Miraculous!
The Doc's a genius!

MIKE kisses her cheek, LYNN smiles confidently.
The test passed.

LYNN

Glad you think so! When do
we start work?

MIKE

(KEEPING IT LIGHT. DISSEMBLING)

Thought you gave up you're career ...

LYNN

I must work.
(PAUSES, THEN QUIETER)
I have to prove something.

MIKE

To the doctor?

LYNN

To myself.
(LIGHT AND JOKEY)
Come on Mike. I'm not leaving
here until you've said yes

MIKE looks at her a moment, much to LYNN's
consternation, and then turns away.

Cont/...

MIKE

Yeah. Well, why don't we
talk about it over lunch?

LYNN

(CAREFULLY, sensing he is not all
that enthusiastic)

I can't make lunch, Mike.
I'm meeting Val to do some
shopping.

MIKE

Dinner then

LYNN shakes her head, waiting.

I see. The Doctor, huh?
Well listen Lynn, this come
back bit

LYNN

(incredulous)

'Come back'? What are we
talking about?

MIKE

You expect to take up where you
left off? Its the Doctor who
works miracles not me. (LYNN STARES)
Face facts. You've been out of
the business for months.

LYNN

That's ridiculous! Just a few
months ago

MIKE (BREAKS IN)

Lynn

LYNN

No. You listen to me. Look at
my face. Its as good as it ever was ..
Get me the bookings. In a few
weeks I can be right back where
I was

MIKE

(tartly)

Where you were was with me baby!

LYNN
(Flaring, furious)

Who do you think you are?
You think you made me?
It was me made you'. My face.
Who are you? A lens - some
lights! Anybody can get them.
The only plus you ever had was
me. My facc!

MIKE is unnerved by LYNN's sudden flare up.
This is the first evidence we have of the
unstable personality change brought about by
the accident.

LYNN
(turning away)

Anybody can do what you did!
ANYBODY!!

LYNN turns and stalks out. MIKE watches her
go. He seems relieved. Almost. He smiles to
himself, looks thoughtful. Then dismisses
the whole thing with a shrug.

CUT TO SCENE 29.

29. DAY. INT. HOUSE

VAL and LYNN, who is fully restored, come in the front door of
the house. They are both loaded with packages. LYNN drops one
and is stooping with difficulty to pick it up when JOHN comes out
of the study.

JOHN sees LYNN doing a balancing trick with the parcels in
her arms and attempting to retrieve the others.

He crosses quickly and helps her.

29. Contd.

LYNN
(smiling at him)
Hello, darling. We've spent an
absolute fortune!

She puts out her face for JOHN to kiss.

JOHN
Steve called ~~for~~ you, Val. He wants
you to call him back

VAL
Oh good!

She then catches LYNN's eye and they laugh happily at one another.
Then VAL turns and hurries off to make the phone call. LYNN
pats JOHN's cheek, then reaches up and kisses him in turn.

LYNN
A man tired to pick me up, darling!

JOHN looks at her.

LYNN
He said I was the most beautiful
woman he'd ever seen

LYNN is moving through to the lounge with JOHN following.

JOHN
Is that supposed to make me jealous?

LYNN puts down her packages and turns.

LYNN
(Her eyes wide)
No! Proud! , *Darling*

JOHN looks at her and half turns away.

LYNN
(After all, it's the beauty you (restored) *gone*)
to me

JOHN hesitates, half turned and she crosses to him.

LYNN
(in a whisper, in his ear,
which she bites)
Besides, we do have a special bond,
don't we?

JOHN turns and looks at her stolidly.

She whirls away girlishly from him and picks up a package and turns.

LYNN

Darling, come and look

JOHN comes across as LYNN places a bulky package on the table.

LYNN

Open it

JOHN tears off the wrappings to reveal a most expensive camera, shining with newness.

He picks it up and then looks at LYNN.

LYNN

Since you won't ~~have~~ ^{let.} me work any more I thought you should ~~be the one to have the privilege of~~ photographing me

She chuckles. Then she moves in to him with measured tread, going up close to him again.

LYNN

You'd prefer that, wouldn't you, darling? I don't want to call up Mike, again though he has called me

JOHN looks at her, accepting the gift without expression.

LYNN turns away lightly, still doing the little girl act.

LYNN

They're delivering the (other ^{rest..later} equipment ..)

JOHN

~~What?~~ ^{other Equipment Rest?}

LYNN

The lights, darling ... Everything We must make pictures we can (both) be proud of, mustn't we? After all, I am your master-piece

VAL comes back.

VAL

Quite right we can never be grateful enough

29. Contd.

VAL goes on, but LYNN looks quizzically at JOHN.

VAL
Steve's coming to pick me up
for dinner about eight

LYNN
That's nice.

VAL
He asked about you, Lynn. I told
him you were all right again

JOHN
(sharply)
What do you mean - 'again'?

VAL
I told him about Lynn's set-back
(she frowns,
looking from one to
the other of them)
Was I wrong?

JOHN glares at VAL.

LYNN
(quickly)
No, of course not, darling. Why
shouldn't Steve know?
(she looks meaningly
at JOHN)
He's practically one of the family, now,
isn't he?

VAL smiles to herself.

VAL
I don't know about that!

LYNN crosses to her sister and kisses her tenderly.

LYNN
~~.....~~ I'm sure of it,
darling ... Come on, let's try on
that new dress

They go out together.

JOHN looks down to the camera still in his hand. Then he looks after
them worriedly. Suddenly, with a little violent motion, he puts the
camera down as if it was growing hot in his hand.

30. NIGHT INT. LOUNGE (New Scene)

STEVE stands looking at an array of photographic equipment, as it is set up. He looks at it curiously. As he does so he flicks an evening paper against his legs.

JOHN comes into the room behind him.

JOHN

~~Hallo, Steve....~~

STEVE

(nods, smiles)

Taking up a new hobby?

JOHN

Idea of Lynn's. She lives for the camera.

STEVE

How is she? Val said there was a setback ...

JOHN

Nothing serious. Val worries too much. Slight epidermis infection - nothing more ... at all

STEVE

Tricky business that you've taken on .. I've been reading up on it. Seems Keppering in Germany tried something similar ... His method had no lasting effect

JOHN

(dissembling)

~~Really?~~

STEVE

~~It appears~~ ~~seems~~ that over a lengthy period of treatment his patients suffered ~~an~~ enormous mental pressure from constant repetition.

JOHN

VAL and LYNN come in. LYNN happily bustling ready to go. She crosses to kiss STEVE on the cheek.

VAL

All ready

STEVE turns from kissing VAL back to greet LYNN.

STEVE

You're looking very well, Lynn ...

LYNN

Thank you

VAL

(to STEVE)

Come on we'll be late ...

STEVE

Right. Be seeing you

LYNN

Good night...have a good time ...

JOHN

I'll see you out

JOHN moves with them to the hallway.

31. NIGHT INT. HALLWAY.

VAL and STEVE are at the door. STEVE suddenly realises he is still carrying the evening paper.

STEVE

Oh. Can I leave this here, John ...

JOHN nods, and takes the paper.

STEVE

See you later

CUT TO.

32. DAY EXT. COASTAL ROAD.

Passing shot of car sweeping along a coastal road.

We pan round to establish the cliffs in b.g.

33. DAY INT. CAR TRAVELLING.

JOHN is driving, LYNN next to him.

LYNN looks across at the impassively set face of JOHN for a moment.

She seems to study him for a moment, then turns back to look through the windscreen once more.

34. DAY EXT. COTTAGE.

We see the car bumping down the road towards the cottage. It stops.

LYNN and JOHN get out. JOHN goes to the boot, LYNN looks around revelling in the sea air.

JOHN carries the suitcases towards the house, LYNN taking one of the smaller ones from him as they go.

35. NIGHT INT. BEDROOM OF HOUSE.

WE START CLOSE ON LYNN'S FACE. IT IS TURNED UP CLOSE TO THE LIGHT SOURCE.

HE STRAIGHTENS SLIGHTLY FROM HIS EXAMINATION OF HER SKIN.

JOHN
There is some degeneration.....

LYNN (really just a groan)
Oh, no...!

JOHN (REASSURINGLY)
It doesn't show....

LYNN (NOT WILLING TO BE REASSURED)
How long before it does show?

JOHN (carefully)
A week, --- perhaps -

LYNN (confident)
A ~~whole~~ week? *Now that you've got the
equipment you need sent down*

JOHN REACTS COLDLY.

LYNN *there*
That's plenty of time just to prepare *for* another
~~one~~ operation.....

JOHN
I can't do it. Not again.

LYNN
What do you mean?

JOHN
I'm a doctor, Lynn. Sworn to preserve life...

LYNN (a little more steel)
You're sworn to one thing.
(TOUCHES HER CHEEK)
Don't ever forget it!

JOHN
I could never forget it, and (or) I can never
forgive myself but another operation ---
its not necessary.....

LYNN IS STARTLED BY THIS NEW THOUGHT. IS THIS SOME NEW IDEA
TO RESTORE HER BEAUTY?

LYNN
Not necessary...?

JOHN
I love you, Lynn. Not just your face.
I want to marry you. Now.

REWRITE SCENE 35

NEW SCENE. PAGE 37

LYNN IS ALMOST CONTEMPTUOUS WHEN SHE REALISES SHE IS NOT BEING OFFERED A NEW TREATMENT, BUT THE OLD JOHN.

LYNN

Why? Guilt? Pity?

Don't ever pity me, John.

You think I could be happy if

I knew I was just being tolerated?

(SPITS IT) Pitied?

JOHN STARTS TO PROTEST. LYNN WILL NOT GIVE WAY HER ADVANTAGE.

LYNN

You have me! I'm totally dependent

you. (need)

JOHN despite himself, turns towards her. LYNN stretches out her arms to him.

LYNN

I was so happy Just for three or four days, let's be happy Let's forget it - all this nightmare

JOHN is drawn towards her, and grabs her fiercely, protectively to him.

LYNN

A few days just a few days

She murmurs this as she is kissing him passionately. She writhes against him, and he kisses her back, aroused.

CUT TO:

36. DAY. EXT. ROCKY COASTLINE

LYNN lays stretched out on the terrace, soaking in the sunshine.

She hears a car door slam and sits up looking along the bush-edged path with its vivid blossoms.

JOHN comes round the bushes on a bend in the path coming from the road - he is carrying a large paper sack filled with groceries and has a bottle in his hand.

JOHN comes out on to the terrace. He pauses to admire her a moment and then puts down the groceries and comes to kneel beside her and kiss her cheek.

JOHN looks at her.

JOHN

(abruptly)

~~I'll put the groceries away~~

I'd like a drink (goes in)

I'll get Coke a Drink

LYNN nods and smiles. She gets up and crosses to the parapet of the balcony which projects out and looks down over the fall of rock face to the beach below.

She looks down idly, then her gaze fixes. She stiffens. Then turns and looks round for something - sees it, a pair of binoculars. She picks up the binoculars and stands absorbed staring through them down to the beach.

CUT TO:

37.

DAY. EXT. BEACH*loc**mask.*

Through the binoculars (as masking) we search the beach, going from rock pool to rock pool, and then coming on a slab of rock to one side.

A young girl, wearing jeans and a sloppy sweater, with her shoes off and her feet dabbling in the water, sits on the slab of rock.

She tosses her head back, and then smooths the hair out of her eyes and leans back luxuriously.

The centre of vision moves to one side, to where a rucksack lies on the sand with various items building out of it.

The binoculars come back to the girl, who is now splashing her feet in the pool, causing spray to fly - she laughs excitedly, like a child.

Then she leans back, and her hand reaches out and she leans down to look at the sand trickling through her fingers.

38.

DAY. EXT. BALCONY PARAPET

LYNN lowers the glasses, still keeping her gaze on the girl down below. LYNN looks this way and that - the beach is deserted except for the one lone distant figure. JOHN comes out of the house onto the balcony. LYNN turns to him.

LYNN

Just look, darling

LYNN offers JOHN the glasses.

LYNN

On the beach the girl

JOHN looks first at LYNN and then takes the glasses.

LYNN

See the rucksack seems to be a hitch-hiker or something. And all by herself such a shame she must be lonely on a day like this

JOHN looks and then lowers the glasses and looks at LYNN.

LYNN

Why don't you go down, darling and talk to her ?

JOHN puts down the glasses silently. He turns away for a moment and looks out across the sea, his hands on the parapet growing white with tension. He turns to look at LYNN, who smiles, leans in close and kisses him lightly.

Go along now

JOHN turns away, making for the top of some steps which obviously lead down to the beach.

39. DAY. INT. CORNISH HOUSE

The girl from the beach, TERRY, is eating a salad lunch ravenously. LYNN smiles at her, standing to one side, holding a long thin knife with which she has obviously cut ham from a large ham on a white ham dish. TERRY is babbling away excitedly, eating throughout.

TERRY

So, you know, it seemed like a good idea You know - all that stuff about the freedom of the road, and that! I just, you know, took off

She stops to eat, swallow, drink and then wrinkles her nose partly with effort partly with pleasure at the food.

TERRY

Didn't work out, though, not really. Freedom! I mean, I was what was free! I mean - this crowd - you know, they're O.K. But you know ... I didn't like being shared out
(shrugs)

I mean, basically, I'm a one man girl. You know, I learned that - that's educational that's useful to know

LYNN leans across smiling and slides another slice of ham on her plate on the end of the knife.

TERRY

Thanks! Beatniks is O.K. But, well, frankly, you know, none of them seemed too clean to me

LYNN smiles understandingly, encouragingly at her. TERRY smiles back.

LYNN

You've no family, then?

TERRY

Not really. I mean, you know, there's a goofy aunt somewhere You know what I was thinking when your husband came up and started to chat me? I was thinking of the sea - of swimming out there - except I can't swim for toffee - and forgetting about everything You

and I think, well, he's making a

TERRY giggles, looks round, selects a tomato and bites into
it, so that part of it squashes and oozes out of her mouth.

TERRY
Like, this 'My wife and I would be
delighted if you'd join us for lunch'
bit ... I thought, 'Yeah, well, first
there's not going to be any wife, and
second, lunch is going to be served
in bed

TERRY breaks off and shrugs.

LYNN
Then why did you come?

TERRY
I figured, What the hell! At least,
he's clean! ?

LYNN laughs, delighted. JOHN remains silent. JOHN gets
up abruptly and walks out into the balcony. LYNN leans in and
pats TERRY's hand.

LYNN
I'm glad you didn't!

TERRY
(not fully
understanding)
Huh?

LYNN
Swim away from us (PAUSES & SMILES)
IT'D BE NICE IF YOU'D STAY AWHILE.

TERRY
~~Oh, Lynn!~~

LYNN
~~It's so wasteful of a young life!~~

TERRY grins back at her.

39. Contd.

TERRY
Yeah, well, maybe this time next week I'll be thinking about it again!

LYNN
I hope this time next week you'll still be with us

TERRY
~~You mean that?~~ **DO YOU MEAN THAT.**

LYNN smiles and nods.

TERRY
Great. Do you mind ... I mean, you know, could I have a little more of that ham?

LYNN starts helping her to it once more.

CUT TO:

40. NIGHT. INT. BEDROOM OF CORNISH HOUSE

JOHN stands at a table, the medical bag in front of him. LYNN half reclines on the bed, watching him, a glint of amusement in her eyes.

LYNN
Well?

JOHN turns towards her slowly.

JOHN
Lynn, not this kid! Not her!

LYNN looks speculatively at him.

LYNN
Why?

JOHN
She's young - pretty She's got her life before her.

LYNN
So have I!

LYNN stands resolutely.

LYNN
She is perfect. No family. No friends. No one knows where she is

JOHN

JOHN shakes his head and moves away from the table and the
 medical bag.

JOHN
~~I can't do it. Not to her!~~

LYNN watches him moving away.

LYNN
~~I see. This one's too young ...~~
~~too attractive ...~~

JOHN turns and looks at LYNN.

LYNN
~~If you want to spend the night~~
~~with her first ... I won't be~~
~~jealous ...~~

JOHN moves towards her, in sudden anger, and he looks as
 if he might strike her.

LYNN
 (coldly checking him)
~~Only thing is, I shall demand~~
~~equal time!~~

JOHN glares at her, but then his anger dies.

JOHN
~~Please, Lynn, let's find someone~~
~~else. I can't~~ **I WON'T DO IT.**

LYNN
~~No. She's the one. If you don't~~ *Re.*
~~do it, I shall!~~ **THEN I WILL**

JOHN looks at LYNN in surprised horror.

LYNN
 I mean it!

~~JOHN moves towards the medical bag. He takes out the~~
~~knife.~~

40. Contd.

LYNN watches him go impassively.

41. NIGHT. INT. HOUSE.

JOHN crosses the hall towards the other bedroom door. He stops at the door and listens.

Satisfied that all is quiet, he slowly turns the handle, pauses a moment, and looks round him. - Then he slowly eases the door open and glides stealthily into the darkened room.

42. NIGHT. INT. OTHER BEDROOM.

The bed, over against one wall, is shrouded in darkness.

JOHN approaches the bed carefully, his knife poised. The only sound is his shuffling step and the heavy breathing he tries to subdue.

JOHN moves towards the bed and then stops, suddenly realising it is empty. He whirls round in a panic - is she watching him from the darkness. He fumbles for the light switch, and switches it on. The bed is disturbed, but TERRY is gone.

JOHN looks round, bewildered, reacting from tension almost into shock, and then runs quickly back to the door to get out of the room.

43. NIGHT. INT. LOUNGE.

LYNN is standing in the doorway, waiting expectantly.

JOHN comes down to her and in a frightened whisper says:

JOHN:

She's gone!

LYNN

(moving forward
agitatedly)

What?

JOHN

~~She knows something~~...

LYNN looks quickly into the bedroom and then signals him to be silent.

They both start when there is a sound from the kitchen. It is in fact the refrigerator door closing.

~~JOHN hides the knife and they both stare at the kitchen door.~~

TERRY comes out, balancing a huge sandwich and carrying

a glass of milk. She is wearing one of LYNN's night dresses.

TERRY

Oh! Er - fixed myself a sandwich ... Hope you don't mind!

LYNN

No, not at all!

TERRY puts the sandwich and glass of milk down on the table and smiles in embarrassed fashion. She pulls her night dress about her more, now her hands are free.

TERRY

Sorry about that ... sort of fits where it touches ...

TERRY glances from one to the other, noticing their strained, tense faces. She looks with some surprise beyond them to the open door or her bedroom. She looks back at them puzzled. LYNN smiles at her.

LYNN

Good night, Terry ...

LYNN looks at JOHN and he follows LYNN back into the bedroom.

TERRY stays to see the bedroom door closed. Then she hurries across to the front door with the sandwich and the glass of milk. TERRY pauses to look behind her - then she steps out of the front door.

TERRY

(calling softly)

Rik?

A figure comes out of the darkness.

TERRY

Come in the window ...

RIK, the beatnik, nods and moves away, taking the sandwich with him and biting into it.

CUT TO:

44. NIGHT. INT. TERRY'S BEDROOM.

TERRY comes into the bedroom, carefully closing the door behind her and making sure it is locked. RIK is climbing in the window, still chewing on his sandwich.

TERRY crosses to him and whispers urgently:

LYNN taps on the bedroom door.

She tries the door handle. The door is still locked. LYNN frowns and knocks again as JOHN looks up, taking an interest.

turns to JOHN)

JOHN moves quickly through the front door while LYNN taps again. LYNN listens. Then there is the sound of the key being turned in the lock. JOHN opens the door.

LYNN pushes past him into the bedroom.

JOHN

Window wide open. She's gone ... *this time*

LYNN turns furiously.

LYNN

Well, what are you going to do now?

JOHN looks at her nervously.

46. DAY. EXT. SMALL LOCAL RAILWAY STATION.

We see a small group waiting for the train to arrive.

Then we see JOHN standing to one side, medical case in his hand. He is wearing a ~~rubber~~ mackintosh, belted which makes him a little conspicuous. He is scanning the waiting passengers. Most of them are being seen off by someone or returning holidaymakers in jovial groups. His eye is taken by a young girl who comes onto the platform alone, with a small suitcase. She walks past JOHN and goes to stand alone at the end of the platform.

JOHN starts to edge along the platform towards her. - He waits some distance off - no one else is near them.

The girl looks round and catches his gaze as he studies her. Their eyes meet for a moment, then she looks away, nervously aware of him. The local non-corridor train chunters in at that moment.

The GIRL makes towards a compartment and sees from the corner of her eye that JOHN is moving close behind her. The GIRL looks at the empty compartment and changes her mind. She spots a young sailor, in uniform, asleep, with his cheek squashed against the window a few compartments up. She changes direction quickly and darts into that compartment.

JOHN hesitates a moment, thrown by the sudden change of direction, and seeing the young sailor asleep. But the guard is already tooting his whistle warningly and JOHN dashes also for the same compartment door. He starts to scramble in as the train gives a first lurch preliminary to pulling out.

47. DAY. INT. COMPARTMENT OF TRAIN.

The GIRL looks up startles as JOHN stumbles in over the legs of the sleeping young SAILOR.

The SAILOR rouses, then glances out of the window, starts up, and looks again at the name of the station: NEWBAY.

The SAILOR gets hurriedly to his feet and tumbles out of the compartment, dragging his ditty bag after him.

The train has started to move as he does so.

The GIRL looks up nervously as JOHN slams the door and then turns and looks at the GIRL.

The GIRL looks determinedly out of the other window, ignoring him.

JOHN places his medical bag on his knees. He is undecided and steeling himself for what he must do.

48. DAY. EXT. TRAIN.

The train goes past camera at low angle. We swing to see the train going into a tunnel.

49. DAY. INT. COMPARTMENT.

At first the compartment is in darkness, then the train comes out of the tunnel and we see that although JOHN's hand has gone to the open medical bag, he has not moved from his seat.

The GIRL glances at him for a moment, then away again quickly.

JOHN's nervousness increases and he looks at his watch. Suddenly he makes up his mind. He stands up.

The GIRL looks round, her eyes widening with alarm - her worst suspicions confirmed.

JOHN advances on her. The GIRL starts to shake her head and whimper. She imagines he is going to assault her.

GIRL

No. No. Please! Don't!

The train lurches, making the bag swing to one side, revealing the knife.

The GIRL stares at him. She is almost speechless with fear.

GIRL

(hoarsely)

No. Please!

JOHN, almost screaming with tension himself, is shaken by this and tries to stop himself - but the train lurches again.

The GIRL screams but her scream is lost in the sound of the whistle of the engine which follows it and drowns it out.

50. DAY. EXT. TRAIN.

The train passing camera, round a sharp bend, lurching over the rough track - its whistle is still going. It disappears into a tunnel and smoke billows out behind it.

51. DAY. INT. COMPARTMENT.

The compartment is dark, inside the tunnel. JOHN is struggling with the GIRL's body towards the door. The door is banging open.

~~Smoke billows in the open door~~, making the darkness even more murky, making JOHN choke.

JOHN pitches the GIRL's body out on the track - the walls of the tunnel, dank and soot-stained are moving past.

He slams the door shut. Then he turns, and still in the darkness, wraps something in a polythene bag, and puts it in his case.

The train comes out of the tunnel into the light again.

JOHN stares for a moment into the bag, his face distorted with horror, shock and fear. He snaps the locks shut on the horrific sight and begins frantically to drag off the rubber mackintosh.

52. DAY. EXT. RAILWAY STATION.

The train pulls into the station. JOHN gets out of the compartment and hurries towards the barrier. He comes up to the ticket collector. The man is taking tickets.

COLLECTOR

Tickets, please ...

(looks as JOHN comes up)

Paint on your trousers, sir ...

JOHN stops, horror stricken and looks down at his trouser legs. He thrusts the ticket into the INSPECTOR's hand.

COLLECTOR

Tetrachloride take it out in no time, sir ...

The COLLECTOR's cheerful face changes as JOHN runs away from the barrier and out into the station yard.

53. DAY. INT. CAR TRAVELLING.

JOHN sits tense and hunch-shouldered in the front seat.
LYNN is driving.

LYNN

~~You fool! Blood!~~

JOHN

Lynn, that ticket inspector ...

LYNN is silent. JOHN looks at her.

JOHN

That girl ...

He puts his hand to his mouth as if he will vomit.

JOHN

The train lurched ...

LYNN looks at him pityingly.

54. DAY. INT. HOUSE - BEDROOM.

The drapes are drawn against the daylight. The equipment and trolley-cum-operating table are ready as we have seen them before. The LAZER is set, plugged in and ready.

JOHN is laying out various instruments and trying to stop his hands shaking as he does so.

LYNN comes into the bedroom wearing a dressing gown. She comes up to him and looks at him contemptuously. She carries a glass of brandy.

LYNN

~~Let's see your hands ...~~

JOHN holds them out - they shake badly.

JOHN

Lynn, wait till tomorrow. I'll
feel calmer then ...

LYNN

No! Today! Do you have any idea
what it's like waiting for my face to
fall apart?

JOHN shakes his head. LYNN offers him a drink.

55. DAY. INT. KITCHEN.

JOHN comes into the kitchen. He opens the refrigerator and takes out a polythene wrapped bundle.

He takes it across to the work surface and unwraps the bundle. He flinches from what he sees. He takes up the scalpel and bends to his work.

At that moment TERRY comes swinging in through the kitchen door.

TERRY
 Hi! I came back ... I ...

JOHN has whirled round towards her. TERRY has looked beyond him to the work surface.

TERRY screams. She stares at the transfixed JOHN. LYNN breaks into the kitchen and lunges at TERRY. This eruption breaks TERRY's shock - she turns and runs out of the door.

LYNN
 (shouting at JOHN)
 Catch her!

JOHN wraps the bundle hurriedly as LYNN dashes out in pursuit of TERRY.

JOHN hurries after her.

56. DAY. EXT. ROCKY COASTLINE. *

TERRY, suddenly confronted at some distance, by JOHN, who has got ahead of her - turning, seeing LYNN closing and making for a rising rock surface and path which peters out into almost vertical rock wall.

TERRY half makes it, but comes to where the path peters out. JOHN and LYNN at the base of the rock, looking up.

TERRY's feet slipping as she tries to make her way upwards.

JOHN starting up after her.

TERRY realising she cannot go on up and starting to move crabwise across the face of the rock.

JOHN nearly up to her - almost on a level with her. TERRY finding a loose piece of rock which she hurls down towards JOHN.

The rock strikes JOHN a glancing blow, and he slips down again. But TERRY, in the act of throwing, has lost her own balance and hold.

TERRY sliding down the rock - seen from above, her face turned upwards, desperate.

JOHN lies stunned at the bottom of the rock. LYNN grapples with TERRY as she lands at the bottom. TERRY breaks loose just as JOHN staggers to his feet, still a little dizzy.

TERRY races away, breaking LYNN's grip on her. The pursuit is on again.

TERRY rounds a rock outcrop on the beach and finds a ~~cave~~. She dashes into it and hides. JOHN and LYNN round the rock. They stop when they see the beach is empty.

66. NIGHT. INT. HOUSE IN CORNWALL

JOHN sits slumped on a couch. He brings a drink to his
lips, but his hands shake so much he has to use both hands.

LYNN comes in from the bedroom and looks at him, contempt
raw on her face. She walks round and stands in front of him.

JOHN slowly looks up at her and again raises his glass to
his lips.

LYNN leans forward and with a side swipe knocks the glass
away flying from his hold.

GROPER
(mouthing in delight) ~~A real gas!~~ **MAINLINING FOR REAL.**
~~REAL GAS.~~

JOHN and LYNN are exchanging glances when there is a piercing scream from SANDY in the kitchen.

They all react except JOHN - he smiles, knowing what has happened.

GROPER, RIK and GEORGIE rush out towards the kitchen, leaving LYNN and JOHN along together. They look at each other challengingly.

JOHN reaches out slowly and pulls down a switch.

The LAZER starts to buzz and comes to life.

73. NIGHT. INT. LOUNGE

SANDY has managed to stagger out of the kitchen, where GROPER has caught her and is supporting her.

~~GEORGIE GROPER.~~

GEORGIE and RIK are returning from the kitchen where they have seen the head. They look at each other, a little bit sick.

SANDY is hysterical.

"**RIK**" ^{was}
~~Groper~~ SANDY ^{girl} "GIRLS HEAD"
.. it's a ~~head~~ **RIK** ~~Not~~
~~Not Terry...~~ **Not TERRY?**
GEORGIE.
No. But that ~~bastard~~ ^{Nutter} is going to talk

RIK & GEORGIE start back towards the bedroom.

¹ ~~GROPER GETTING~~ ~~GROPER~~ **SANDY**
We're getting out of here ...

He starts taking the hysterical ~~TERRY~~ ^{SANDY} away towards the door.

74. NIGHT. INT. BEDROOM

GEORGIE & RIK comes storming into the bedroom to confront the now calmly impassive JOHN.

LYNN makes a great pretence of alarmed surprise.

LYNN
What was it? ~~Georgie, what was~~
~~it?~~
WHAT HAPPENED

11/11/11

GEORGIE looks at her and then ignores her and goes to JOHN.
GEORGIE catches JOHN up in balled fist.

GEORGIE
Right, you bloody lunatic - what
happened to Terry?

JOHN
She's dead.

LYNN pretends to react with surprise.

LYNN
Oh, no!

GEORGIE swings round on her.

GEORGIE
(caustically)
You trying to say you didn't
know?

LYNN
I swear I didn't!

RIK
(crossing to LYNN)
She'd swear arsenic was whisky

RIK grabs LYNN.

RIK
Where's my wife?

LYNN
He killed her ... He's mad ... I was
~~afraid for my own life!~~

RIK
Where is she?

LYNN *at the foot of the cliff*
~~In a cave~~ - on the beach!

RIK is looking at LYNN, hate in his eyes - suddenly he snaps.

RIK
(hollowly)
Dead?

RIK is at the point of genuine sobbing - he throws LYNN away and
turns and looks at GEORGIE, then rushes at JOHN.

RIK
I'll kill you You

74. Contd.

GEORGIE throws RIK off.

GEORGIE
Leave it, Rik! Leave it!

RIK picks up one of the surgical knives.

LYNN
Don't kill him Not yet!

JOHN reacts with white hatred towards LYNN at her 'not yet'.
RIK turns to her incredulously - astonished by her arrogant selfishness. He brings the knife towards her almost threateningly.

LYNN
(quickly)
I can show you where Terry
is

RIK hesitates a moment. LYNN gabbles on.

LYNN
I'll show you Only don't
kill him ... He's got to operate **FIRST.**
(touches her face)
He must!

GEORGIE turns.

GEORGIE
Go and look for her, Rik I'll take
care of this one!

RIK looks at GEORGIE, then at JOHN.

RIK
(quietly to JOHN)
I love her, you bastard!

JOHN can't meet RIK's eyes. LYNN is looking from one to the other and seeing herself unobserved, moves forward to cover the tray of surgical instruments and picks something up.

LYNN
~~I'll take you to your room~~
~~Hex Rik~~

RIK turns towards her and mumbles.

~~That's~~

We see behind LYNN's back even while she's speaking reassuringly that she is carefully concealing a wicked looking knife.

She and RIK go to the door, LYNN turns.

LYNN

When I come back... you'll make
him, won't you, Georgie?

GEORGIE nods. LYNN smiles and goes out. GEORGIE turns
back and looks at JOHN.

CUT TO:

75. NIGHT. EXT. CLIFF SIDE

LYNN and RIK come along a path. LYNN hesitates, looking down
a steep rocky descent.

LYNN

Down here... I'll go first...

LYNN starts to lead the way down, RIK following. LYNN comes
to a turn in the steep path, where, straight on, is a hundred foot
drop.

She looks at RIK coming down the path towards her.

LYNN puts out a hand to him - RIK automatically takes it. LYNN
pulls him onto the knife - RIK yelps - then LYNN jerks him round
and pushes him.

It is all done in one flowing movement and RIK goes crashing over
the cliff.

76. NIGHT. EXT. CLIFF SIDE

LYNN looks down at the knife in her hand. She throws it out
after RIK. She smiles to herself and then turns to climb up
to the house once more.

77. NIGHT. INT. HOUSE.

LYNN comes back into the house.

GEORGIE looks at her in surprise and questioningly.

LYNN

He's staying with her ...

GEORGIE looks unconvinced. He takes a step towards her.

LYNN

I promise you.

GEORGIE stops uncertainly.

*Georgie is
where RIK*

He is I promise you

77. Contd.

~~JOHN~~ *John*
 She's got blood on her *Was she still there?*
John: (to O. of course. John: Strange - - - Georgie: What's strange

LYNN looks down unconsciously, giving herself away.

GEORGIE sees the reaction, and then looks accusingly at her. LYNN realises she has betrayed herself and makes a dash for the tray of instruments.

GEORGIE catches her and pushes her to one side.

JOHN starts towards the door to get away.

GEORGIE grabs him and brings a punch up to his chin. - JOHN staggers back across the room.

LYNN has got to her feet and is staring at GEORGIE.

LYNN

It's him! He did it all. I
 didn't know. I swear I didn't know.

JOHN has got to his feet - he looks at LYNN with hate. JOHN looks at the LAZER which is still buzzing.

GEORGIE is undecided what to do - the telephone doesn't work. He doesn't know quite how to handle this sort of situation. And suddenly he is afraid - these people are murderers. He picks up one of the knives.

GEORGIE *Fuzz*

Proper's gone for the cops. We
 wait here. Tell your lousy story
 to them.

LYNN

Georgie ... Georgie ... you've
 got to believe me ...

GEORGIE

You make me sick!

LYNN shakes her head.

LYNN

Georgie, I promised you ...

LYNN starts towards GEORGIE, still believing her physical appeal will work.

LYNN

Georgie ... look at me ... I'm
 beautiful ...

Momentarily she covers JOHN.

JOHN moves to the LAZER on its extended arm, which is flexible.

77. Contd.

He snatches down a control and the buzz mounts to a screaming whine on the machine.

GEORGIE reacts, but too late.

JOHN moves the beam so that the fierce ray transfixes GEORGIE. GEORGIE screams and falls as the beam cuts into him.

LYNN backs away from GEORGIE as he screams in agony.

JOHN turns, a fanatical madness flaring in his eyes towards LYNN, who cowers away from him.

LYNN

Don't, John ... Not me ... not me!

JOHN deliberately turns the beam towards her and we see it scorching the wall as it moves along.

Finally, JOHN brings it full into her face.

LYNN's screams are of transfixed agony - her face starts to crumble and smoke - the beam scars into her.

At that moment a voice calls from outside.

VAL

(off)

Lynn!!

78. NIGHT. INT. LOUNGE.

VAL and STEVE are hurrying across the lounge. STEVE comes to the bedroom door where we hear the screaming of LYNN. STEVE throws open the door and sees JOHN and takes a running dive to grapple with him.

The beam swings off LYNN's totally ruined face and swings wildly around as the two struggle together.

VAL starts towards her sister and then stops in horror, clutching desperately at her mouth.

STEVE and JOHN grapple for a moment and then the swinging LAZER beam cuts across JOHN's arm just as he is about to strike STEVE down. JOHN screams with pain and staggers.

STEVE holds back, knowing only too well what the LAZER beam can do. STEVE turns hunting desperately for the switch.

JOHN staggers a little and then suddenly collapses, lying on his back as the LAZER beam swings in an arc and then suddenly cuts across his face.

We see one of his eyes go.

Then a running line develops from one eye down to the mouth and throat.

The beam swings back and forward across the neck - JOHN lies still.

STEVE finds the switch and turns the LAZER off.

VAL is screaming.

STEVE, panting, turns to look.

JOHN's head lies separated from the body on the floor.

STEVE flinches, grabs the hysterical VAL, and gets her out of the room.

79. NIGHT. INT. LOUNGE.

~~STEVE and VAL come out into the lounge just as GROPER and SANDY return with three POLICEMEN.~~

~~The POLICEMEN pull up short at seeing STEVE and VAL.~~

~~STEVE
In there ...~~

~~The POLICEMEN move past them into the bedroom.~~

VAL turns into STEVE's chest, sobbing bitterly.

STEVE starts to comfort her.

SCRIPT AMENDMENTS.

NEW PAGE 75.

DELETE SCENE 79 IN ENTIRETY.

ADDITIONAL TO END OF SCENE 78.

THE LAZER BEAM is now scoring wildly across frame.

It starts to leave traces across screen, in effect tearing it, so that optically the effect of black out is left piecemeal in its trail.

The effect will be of the screen being blacked out segment after segment, leaving the most telling detail of each set-up to be blacked last. Obviously, the exact optical effect, will have to be judged according to selected frame compositions.

The final effect is of a totally blank screen.

A TELEPHONE RINGS on the total blackness.

ADDITIONAL SCENE 80.

80. NIGHT INT. JOHN'S STUDY.

The book falls to the floor from John's knee as in Scene B.

As it does so, the door of the study opens and a BUTLER comes in ushering LYNN dressed as for the party scene.

LYNN crosses to the sleeping JOHN, and looks at him with an amusedly infuriated stare. JOHN wakes with a start and stares at LYNN.

LYNN

Hey.....Remember me? You're supposed to be calling for me!

JOHN has stood up and looks at LYNN for a moment, trying to concentrate.

LYNN

(with genuine concern)

Are you alright.....?

JOHN

(smiles and touches her cheek)

More tired than I thought

LYNN

LYNN turns towards him.

JOHN

How is your sister?

LYNN
(puzzled)

Val? Alright. Why do you
ask?

JOHN

I thought we might invite her to
dinner one night. There's a young
colleague of mine

LYNN
(mildly remonstrating)

Darling! We're late enough ...
Tell me on the way.

JOHN
(nods and smiles)

I'm glad you're alright

JOHN smiles and turns out of the study.

LYNN looks after him puzzled, then shrugs and smiles.

CUT TO:

81. NIGHT INT. PARTY.

The people at the party are the same as before, but less
extreme in their manner and their dress and make-up.
For instance the psychedelically made up faces are not
there.

JOHN stands gazing at an enormous blown up close shot of
LYNN.

LYNN comes up with MIKE ORME.

Cont/....

LYNN

Darling! I want you to meet Mike Orme. Mike this is Sir John Rowan .. John, this is Mike Orme, the man whose camera made me famous

JOHN stares at MIKE ORME as they shake hands.

LYNN
(to MIKE)

John's a surgeon darling

MIKE

Nice! Always reassuring to have a doctor in the house

KATE comes up.

Kate, give the man a drink ...

MIKE leads LYNN away.

We go close on JOHN's face as he watches them go, thunder struck at the closeness to his dream.

KATE

A KALEIDASCOPE OF SOUND IMAGES START TO THUNDER IN JOHN'S EARS. ALL THE SOUNDS OF HIS DESCENT INTO THE NIGHTMARE.

The noises of the toys in the whores bedroom. The train whistles. Screaming sea gulls.....

JOHN stares at the blow up of LYNN'S photograph. As he looks at it, KATE comes into shot.

SHE LOOKS AT THE BLOWN UP PICTURE and then suddenly throws the glass she has in her hand.

It hits the blow up on the cheek and breaks staining the picture at the exact spot of LYNN's earlier injuries.

THE KALEIDASCOPE OF SOUND NOW BECOMES A NIGHTMARE AS WE GO CLOSE TO JOHN'S FROZEN FACE.
